Dear Dr. Gomez de Diego:

I wish to thank you and Andromedical for introducing the Andro-Penis.
I believe it is the finest penile tension device on the market today.

It is of the highest quality and the results of it's proper use are unmatched. I have performed 4,000 phalloplasty procedures and the Andro-Penis is an integral part of the surgical program adding significantly to reliability and success of the surgery.

Andromedical has been a joy to work with, helpful and always available to me and my patients. I look forward to a long and mutually beneficial relationship with them.

Yours truly,
